

College of Computing and Software Engineering

Spring Semester 2026

CS 4322: Mobile Software Development

Syllabus

Instructor Information:

Jyothsna Dinadayalane (Students can address me as Ms.JD)

Email: jdinaday@kennesaw.edu

Office Location: J-3112 A

Office Hours

Wednesdays, Noon - 2 PM (Online via Microsoft Teams). Other times available by appointment

Preferred Method of Communication: Email

Course Description:

This course primarily focuses on mobile sensor application development and the security of smartphones and mobile telecommunication systems. The goals of the course are to provide students with real-world relevant mobile sensor app development and improve their knowledge and skills in mobile application development and mobile security.

Course Information:

Credit Hours: 3

Prerequisites:

CS 3305 and ([CS 3410](#) or [CSE 3153](#)) and [SWE 3313](#)

Course Learning Outcomes:

After successful completion of this course, a student will be able to: 1. Use Android Development Environment and Platforms 2. Design a user interface for a mobile device 3. Use Android Development Libraries to develop mobile apps 4. Test mobile apps

Course Meeting Information:

Class meeting time: Tuesday, 11:00 AM – 12:15 PM

Modality and Location: Hybrid (50% Online) – Engineering Technology Center 108

Course Materials:

Required texts: None

Reference Web Resources: 1) https://developer.android.com/courses/android-development-with-kotlin/course?utm_source=dac&utm_medium=website&utm_campaign=edu 2) <https://developer.android.com/courses/android-basics-kotlin/course>

Course Requirements and Assignments:

1. Attendance
2. Lab Assignments
3. Presentations, Q & A
4. Quizzes
5. Project
6. Exams (Test 1,2,3)

Evaluation and Grading Information:

The final grade will be assessed based on students' progress and findings as follows:

Assessment Criteria	
Attendance	5%
Lab Assignments	20%
Presentation	1%
Quizzes	9%
Test 1	10%
Test 2	10%
Test 3	15%
Project	30%
Total	100%
Assessment Criteria:	Percentage

GRADING SCALE:

90% - 100% A

80% - 89% B

70% - 79% C
60% - 69% D
0% - 59% F

I will round up the grades if they are $>$ or $= .5$ or above, for example, 89.6 is an A, but 79.2 is a C.

Midterm Grades: A midterm grade may be assigned by the midterm grade due date identified on the academic calendar. This midterm grade assesses mid-semester performance at least one week before the last day to withdraw without academic penalty. You may view your midterm grade in Owl Express. Note that only your final grade will be officially recorded on your academic transcript.

Feedback Expectations and Turnaround Time

Email Messages: Remember to put the course name and section number in the subject field of every e-mail message that you send me. E-mail messages that are missing this information are likely to be automatically redirected to a folder I seldom check.

I will respond to each email within two business days of arrival. Business days are M-F 9 AM-6 PM. Some items may be deferred for action, but all email messages will receive a response within the specified time. Email messages received after 5 PM will most likely not receive a reply until the next business day. Email messages received on the weekend will not be guaranteed a response until Monday. I will make every effort to have assignments and exams graded within 2 weeks of the due date. This commitment does not apply to assignments that are submitted late.

Early Alert / Progress Reports

This class is participating in Early Alerts, for which faculty will submit during the first few weeks of class. These reports notify advisors and student success coaches of a range of things, like missing class, missing assignments, if you might need to visit tutoring, or could benefit from help with time management or study skills. These are not recorded as grades and are meant to provide you with some additional resources to ensure you can be successful in your class. If you receive notification of an early alert, please take advantage of these resources.

Midterm Grades

A midterm grade may be assigned by the midterm grade due date identified on the academic calendar. This midterm grade is for assessing mid-semester performance at least one week before the last day to withdraw without academic penalty. You may view your midterm grade in Owl Express. Note that only your final grade will be officially recorded on your academic transcript.

Course Calendar:

Course Calendar	
Week 1	Class intro, Introduction to Kotlin Basics
Week 2	Functions
Week 3	Classes and Objects
Week 4	Build your first Android App

Week 5	Layouts
Week 6	App Navigation
Week 7	Activity and Fragment Lifecycle
Week 8	Activity and Fragment Lifecycle
Week 9	Spring Break
Week 10	App Arch (UI Layer)
Week 10	App Arch (UI Layer)
Week 11	App Arch (Persistence Layer)
Week 12	Advanced RecyclerView user cases
Week 13	Connect to the Internet
Week 14	Repository pattern and WorkManager
Week 15	App UI Design Data Driven and Security
Week 16	App UI Design Data Driven and Security
Week	Content Covered

Disclaimer: This syllabus represents the current plans and objectives. As we go through the semester, those plans may need to change to enhance the class learning opportunity. Such changes, communicated clearly, are not unusual and should be expected.

Course Policies:

Attendance Policy:

Attendance counts as five percent of the final grade.

Absence is considered excused when:

1. The student emails the instructor with a valid reason for the absence and
2. The instructor approves the request.

A grade of zero will be assigned for all assignments, discussions, presentations, quizzes, and exams missed without an excused absence.

Exams and presentations: There will be two exams and one presentation. Students are responsible for arranging excused absences prior to the test date. A zero will be assigned for any missed exam or presentation without an excused absence. If a documented emergency arises on the day of the exam or presentation, and the instructor approves it as an excused absence, a retake may be allowed.

Assignments, discussions, and quizzes: Assignments, discussions, and quizzes are due throughout the term and must be submitted through D2L/Brightspace by 11:59 pm on the designated due date. No submissions will be accepted via email. If you turn in an assignment submission late, you will lose at least 20% of your score. Late assignments will only be accepted for 2 days after the due date. Late submissions are not allowed for discussions and quizzes.

Interaction with the instructor: Virtual or face-to-face meetings with me are encouraged and required. They are important for the successful completion of the course. Students are expected to be fully prepared and actively participate in class. The student is responsible for making up missed classes.

Meeting Participation: Students should take advantage of this opportunity to build their foundations by engaging fully in class discussions with fellow students and faculty.

Classroom Behavior: All students are reminded to conduct themselves following the Student Code of Conduct, as published in the University Catalog. Every KSU student is responsible for upholding the provision. Students who violate KSU policy will be asked to leave the classroom and may be subject to disciplinary action by the University.

- Students are expected to be active participants in each class activity.
- Students will work on homework and programming assignments according to the class schedule.
- Examinations will consist of material that covers concepts from the lecture material, the homework and programming assignments, and the assigned readings.
- Students will be given specific guidance on the amount of collaboration permitted for each assignment.

Modified Operations Policy:

Kennesaw State University is committed to remaining open and continuing full operations, including class schedules, whenever possible. The Office of the President, in consultation with the KSU Office of Emergency Management and other officials, will determine when an emergency impacts KSU's normal operations. When the University is closed due to an emergency, all classes will be canceled, and non-essential personnel will not be expected to work.

When the University shifts to modified operations, Cabinet members, in consultation with the Office of the President or designee and the Office of Emergency Management, will be responsible for determining appropriate operational continuity for their divisions. This may include remote work. During modified operations, each faculty member will be responsible for instructional continuity for their classes. To ensure instructional continuity, all Academic Colleges and Departments are expected to maintain and regularly update instructional continuity plans. All syllabi should also include an instructional continuity plan statement specific to that course.

During a weather event or other emergency, those commuting to campus should exercise their best judgment when determining travel options. If the University remains open and an employee elects not to report to work, the employee will be required to use their accrued vacation time.

The University will announce campus closures and delayed schedules in several ways. The cell phone number on file with the university will automatically receive KSU Alerts, so make sure your information in OwlExpress is accurate at all times. An email will also be sent to your university account.

In addition, announcements will be made by a notice on the Kennesaw State University home page. Instructional Continuity Plan:

Communication: Please check D2L Brightspace or email for necessary instructions.

Virtual Classes: If in-person classes are not possible, we may transition to virtual classes using MS Teams.

Assignments and Assessments: Deadlines for assignments and assessments may be adjusted to accommodate the emergency situation.

We understand that emergencies create unique challenges. If you need additional support during an emergency, reach out via Brightspace or e-mail. The university also offers resources such as counseling and academic support, which can be accessed remotely.

Policy on the Usage of Artificial Intelligence

AI Use Allowed, but Not Required:

In this class, you are welcome to use AI for any purpose. However, you should note that all AI generative tools still tend to make up incorrect facts and fake citations, code generation models tend to produce inaccurate outputs, and image/art generation tools can produce copied work or offensive products. You will be responsible for any inaccurate, biased, offensive, or otherwise unethical content you submit, regardless of whether it originally comes from you or an AI tool. If you use an AI tool, its contribution must be credited to your submission. The use of an AI tool without acknowledgment is cheating and constitutes a violation of the [KSU Code of Academic Integrity](#).

Institutional Policies:

Academic Integrity Statement:

Every KSU student is responsible for upholding the provisions of the [Student Code of Conduct](#), as published in the Undergraduate and Graduate Catalogs. Section 5c of the Student Code of Conduct addresses the university's policy on academic honesty, including provisions regarding plagiarism and cheating, unauthorized access to university materials, misrepresentation/falsification of university records or academic work, malicious removal, retention, or destruction of library materials, malicious/intentional misuse of computer facilities and/or services, and misuse of student identification cards. Incidents of alleged academic misconduct will be handled through the established procedures of the Department of Student Conduct and Academic Integrity (SCAI), which includes either an "informal" resolution by a faculty member, resulting in a grade adjustment, or a formal hearing procedure, which may subject a student to the Code of Conduct's minimum one semester suspension requirement.

KSU Disruption of Campus Life policy:

All students are responsible for knowing the information, policies and procedures outlined in the Kennesaw State University Codes of Conduct. [Student Conduct and Academic Integrity \(SCAI\)](#) includes: the general Student Code of Conduct, the Residential Code of Conduct, and the Code of Academic Integrity.

KSU Web Accessibility:

Federal law Section 508 Subsection 1194.22 of the Rehabilitation Act and the Board of Regents (BOR) of the University System of Georgia (USG) Web Accessibility Guidelines require that all web content meet the federal government's accessibility guidelines. As such, KSU complies with USG guidelines.

University accessibility assistance is provided by several offices as noted below. Staff in these offices work to accommodate requests for access or assistance with access as soon as possible in order to either accommodate the request or identify an effective alternative for the requester.

Request for Office Contact Number Contact Email

- Student Support Services Student Disability Services 470-578-2666 sds@kennesaw.edu
- Student Technology Assistance Student Technology Assistance
- University Information Technology Services 470-578-3555 studenthelpdesk@kennesaw.edu
- Third Party Technology Assistance University Information Technology Services 470-578-6999 service@kennesaw.edu

KSU Reasonable Accommodations:

Students with qualifying disabilities under the Americans with Disabilities Act (ADA) and/or Section 504 of the Rehabilitation Act who require “reasonable accommodation(s)” to complete the course may request those from Office of Student Disability Services. Students requiring such accommodations are required to work with the University’s Office of Student Disability Services rather than engaging in this discussion with individual faculty members or academic departments. If, after reviewing the course syllabus, a student anticipates or should have anticipated a need for accommodation, he or she must submit documentation requesting an accommodation and permitting time for a determination prior to submitting assignments or taking course quizzes or exams. Students may not request retroactive accommodation for needs that were or should have been foreseeable. Students should contact the office as soon as possible in the term for which they are seeking accommodations. Student Disability Services is located in Kennesaw Hall, Room 1205 on the Kennesaw campus and Building A in Suite 160G on the Marietta campus. Please visit the [Student Disability Services \(SDS\) website](#) for more information, or call the office at 470-578-2666 (Kennesaw campus) or 470-578-7361 (Marietta campus).

KSU Enrollment Management/Course Attendance:

Students are solely responsible for managing their enrollment status in a class; nonattendance does not constitute a withdrawal.

Copyright Law:

It is the responsibility of KSU faculty and students to respect the rights of copyright holders and complying with copyright law. The University System of Georgia recognizes that the exclusive rights of copyright holders are balanced by limitations on those rights under federal copyright law, including the right to make a fair use of copyrighted materials and the right to perform or display works in the course of face-to-face teaching activities.

The University System of Georgia facilitates compliance with copyright law and, where appropriate, the exercise in good faith of full fair use rights by faculty and staff in teaching, research, and service activities. The University System of Georgia ensure compliance with copyright law in the following ways.

1. The USG informs and educates students, faculty, and staff about copyright law, including the limited exclusive rights of copyright holders as set forth in 17 U.S.C. § 106, the application of the four fair use factors in 17 U.S.C. § 107, and other copyright exceptions.
2. The USG develops and makes available tools and resources for faculty and staff to assist in determining copyright status and ownership and determining whether use of a work in a specific situation would be a fair use and, therefore, not an infringement under copyright law;
3. The USG facilitates use of materials currently licensed by the University System of Georgia and provides information on licensing of third-party materials by the University System; and

4. The USG identifies individuals at the University System and member institutions who can counsel faculty and staff regarding application of copyright law.

Protecting Students' Privacy (FERPA):

Students have certain rights to privacy. These rights are mandated by federal policy. [The Student Handbook](#) contains information regarding Rights Pertaining to Student Records, and FERPA specific details are available on the [KSU FERPA website](#).

A key requirement of the formal evaluation process is the protection of individual privacy rights concerning educational grading. The University's online learning system and email system is designed to prevent unauthorized individuals from gaining access to sensitive information or information protected by federal or state law. Consequently, faculty and students are strongly encouraged to only communicate regarding course matters through the University's designated technology learning system.

Information should not be made public in any way in which a student's grades, social security number, or other personal information may be identified. Grade information may be shared with members of the KSU community who also have a legitimate educational interest in student success (e.g. academic advisors or members of the Behavioral Response Team). Faculty may be asked to provide early alert information if there is a concern that a student is at risk, academically or otherwise.

KSU Sexual Misconduct:

In accordance with federal and state law including, Title IX of the Education Amendments of 1972 ("Title IX") and Title VII of the Civil Rights Act of 1964 (Title VII), the University System of Georgia (USG), including Kennesaw State University, prohibits discrimination on the basis of sex in any of its education programs or activities or in employment. The USG is committed to ensuring the highest ethical conduct of the members of its community by promoting a safe learning and working environment. To that end, Kennesaw State University follows USG Board of Regents Policy Manual, Section 6.7. [Visit Title IX](#).

Withdrawal from Classes:

A student who officially withdraws from a course by the end of the last day to withdraw without academic penalty will receive a grade of "W" and receive no credit.

A student will receive a refund only when the student withdraws from ALL courses for the applicable semester and only by the schedule outlined in the University refund policy found in the Tuition, Expenses, & Financial Aid section of the undergraduate and graduate university catalogs.

Students should be aware that a reduction in their hours might result in the loss of full-time student status and thus affect their financial aid, scholarships, athletic and ticket eligibility, University housing accommodations, use of University resources and access to University facilities, visa for international students, and Veterans Educational Benefits. Students should contact the appropriate office and their academic advisor with questions about the impact of their withdrawal from a course before initiating a withdrawal. Veterans and dependents of veterans who receive educational benefits must notify the Veterans Education Benefits Area in the Office of the Registrar of any course load reductions.

Hardship Withdrawals

If a student experiences significant personal hardship (e.g., medical or family emergency, prolonged illness), the Dean of Students can approve a hardship withdrawal from all courses in the term for which the student is currently registered. In the case of an approved hardship withdrawal

from all courses, the Registrar will assign grades of “W” for those classes. The deadline for final approval of a hardship withdrawal by the Dean of Students is the last day of class for which the hardship withdrawal is sought. If the hardship withdrawal process is not complete by the last day of class for which the hardship withdrawal is sought, a student must appeal for a retroactive hardship withdrawal from the Academic Standing Committee.

Appeals for retroactive hardship withdrawals must be directed to the Academic Standing Committee. Retroactive hardship withdrawals are rarely granted if it has been more than one year since the last day of class for which the withdrawal is sought. Extraordinary justification must be shown. In the case of approved retroactive hardship withdrawals, the Registrar will assign a grade of “W.”

University Initiated Withdrawals

If a student is suspended by the Office of Student Conduct following a violation of the University's Code of Conduct not related to academic dishonesty, the Office of Student Conduct may facilitate a University-initiated withdrawal from courses for which a student is registered for the term. The Registrar will assign grades of “W” for those classes.

Military Withdrawals

A student will receive a “WM” symbol for all courses and a full refund of tuition and mandatory fees and a pro rata refund of other fees for military and other service, as defined by [BOR Policy Manual, Section 7.3.5.3](#). To request a military withdrawal, the student must submit a copy of official orders to the Office of the Registrar.

Academic Feedback:

Institutional Chief Academic Officers will encourage faculty to clarify for students, at the beginning of each course, the basis on which grades will be determined and to provide timely academic feedback as the course progresses ([BOR Academic and Student Handbook Policy 2.18](#))

Netiquette: Communication Courtesy:

All members of the class are expected to follow rules of common courtesy in all email messages, threaded discussions and chats (link forthcoming).

Course Delivery:

KSU may shift the method of course delivery at any time during the semester in compliance with University System of Georgia health and safety guidelines. In this case, alternate teaching modalities that may be adopted include hyflex, hybrid, synchronous online, or asynchronous online instruction. Please refer to the Instructional Continuity statement included in each course syllabus for specific plans.

- [Scholarships and Financial Aid](#)
- [Office of the Registrar](#)
- [Office of the Bursar](#)

Grade Appeals and Student Complaints:

KSU desires to resolve student grievances, complaints and concerns in an expeditious, fair and amicable manner. The [complaints and concerns webpage](#) was developed to assist current and prospective students in submitting complaints and appeals, and to direct them to the most effective venue for accurate information and resolution. The resources on the page will direct students to the specific venue to appropriately address the related student complaint.

Complaints for online students are resolved following the same general procedures for students who attend classes on campus. However, for any process that requires a student appear in person, the university may make other arrangements. For processes that cannot be completed via telephone, email, or written correspondence, the university may set up a two-way video-conference site in place of a meeting on the KSU campus.

Technology Resources:

For issues with technical difficulties, please contact the Student Helpdesk:

[Fill out a service form](#)

Email: studenthelpdesk@kennesaw.edu

Call 470-578-3555

[New Students Technology Services](#)- Steps that will help you meet the technological requirements of the University.

Any request for make-ups due to technical issues MUST be accompanied by the ticket number received from UITs when the problem was reported to them. The ticket number will document the time and date of the problem. You MUST e-mail your instructor within 24 hours of the technical difficulty if you wish to request a make-up.
